1.03 **New/Modified Job Titles**

First, the parties agree that routine changes to operational procedures, equipment, and systems occur on a regular basis as a result of improvements in technology, processes, etc., and often change how job responsibilities are performed. These are not considered modifications to the job and do not require notice or bargaining with the Union.

The Company will provide advance notification to the Union regarding substantial changes to existing job titles or when creating new job titles. The Union, within fifteen (15) calendar days of receipt of the notification, may request a meeting between Company representatives. During the meeting, both the Company and the Union will present their respective positions on the matter, attempt to negotiate alternatives presented by the Union to resolve any differences, and both parties will make every effort to reach a mutually agreeable settlement. If the parties are unable to reach agreement within fifteen (15) calendar days, the matter will be directly pursued to arbitration by the Union. In the interim, the Company will continue with the implementation of the change or new title.

1.04 The provisions of this Agreement shall not, except as to wage rates, working hours, holidays and the grievance procedure (but not the arbitration procedure) apply to any employee hereafter employed who has not completed a full-time probationary period of six (6) months employment with the Company.

1.05 The Company retains all customary, usual and exclusive rights, decision-making prerogatives, functions and authority connected with or in any way incident to its responsibility to manage the enterprise or any part of it. The rights of employees in the bargaining unit and the Union are limited to those specifically set forth in this Agreement and the Company retains all prerogatives, functions and rights not specifically limited by the terms of this Agreement. The Company shall have no obligation to bargain with the Union with respect to any such decision making with regard thereto, any subject covered by the terms of this Agreement and closed to further bargaining for the term thereof, and any subject which was or might have been raised in the course of collective bargaining.

Without limitation, but by way of illustration, the exclusive prerogatives, functions and right of the Company shall include the following:

1. To direct and supervise all plant and business operations and policies.
2. To close or liquidate an operation or facility, or combination of facilities, or to move such operation or facility.
3. To determine the need for a reduction or an increase in the workforce and the implementation of any decision with regard thereto.
4. To establish the standards for hiring, job **titles**, promotion, quantity of work, quality of work, safety, materials, equipment, methods and procedures.
5. To install new, or to discard, wholly or in part, old methods, procedures, materials, equipment, plant and facilities, or standards.

7. To contract work as determined by the Company.
8. To assign shifts, work days and work locations.

9. To assign all work duties.
10. To introduce new jobs and to revise job **titles** and duties into the unit.
11. To determine the need for and the qualifications of new hires, transfers and promotions.
12. To discipline, suspend, demote or discharge an employee so long as such action is not without cause.

ARTICLE 2

TERM OF AGREEMENT - AMENDMENTS - TERMINATION

2.01 This Agreement shall become effective June 2, **2018** and shall continue in effect through June 1, **2021**, and thereafter until either party serves written notice on the other of its desire to terminate the Agreement, in which case the termination shall become effective as provided in such notice, but not earlier than sixty (60) days after the date of delivery of such notice. R

2.02 The wage rates to be paid under the terms of this Agreement shall be those appearing in Exhibit A and made a part hereof, and shall be effective as indicated in said Exhibit A. In no event, however, will these wage rates be made effective prior to the date indicated in said Exhibit A, nor will they exceed the wage rates provided for in Exhibit A.

Any other form of additional remuneration provided for by this Agreement including, but not necessarily limited to, insurance improvements, accident and sickness insurance, and any other "fringe" benefits shall be effective as agreed to, but in no event will these "fringe" benefits be made effective earlier than June 1, **2018**. R

2.03 It is hereby agreed that this contract contains the complete agreement between the parties or their successors and no additions, waivers, deletions, changes, or amendments shall be made during the life of this contract, except by mutual consent in writing by the parties.

It is understood that Section 2.03 does not prohibit the Union from exercising its rights to bargain over subjects covered under the National Labor Relations Act during the term of this contract.

- 2.04 This Agreement amends and replaces all agreements previously entered into by and between the Company and the Union.

ARTICLE 3
METHOD OF NEGOTIATION

- 3.01 The Company and the Union, through a properly authorized representative of the Company and a properly authorized representative of the Union, shall furnish and keep each other informed of the names, capacities and addresses of personnel authorized to represent them in bargaining proceedings associated with this Agreement.
- 3.02 Meetings between authorized representatives of the Union and the Company will be held at any time upon reasonable notice by either party to the other.
- 3.03 The Union and the Company also agree to certify to each other the names of their respective officers and representatives who are authorized to represent them at each step of the grievance procedure.

ARTICLE 4
RESPONSIBLE UNION - COMPANY RELATIONSHIP

- 4.01 The Company and the Union recognize that it is in the best interests of both parties the employees, and the public that all dealings between them continue to be characterized by mutual responsibility and respect. To insure that this relationship continues and improves, the Company and the Union and their respective representatives at all levels will apply the terms of this Agreement fairly in accord with its intent and meaning and consistent with the Union's status as exclusive bargaining representative of all employees in the unit. Each party shall bring to the attention of all employees in the unit, including new hires, their purpose to conduct themselves in a spirit of responsibility and respect and of the measures they have agreed upon to insure adherence to this purpose.
- 4.02 Consistent with the other provisions of this Agreement, the Company and the Union agree to continue to support their policies of avoiding discrimination against any employee regarding the terms or conditions of employment because of sex, race, color,

religion, age, sexual orientation or national origin. **Additionally, the Company and the Union shall not discriminate against, interfere with, restrain or coerce employees because of membership, or non-membership, in the Union, or activity on behalf of the Union.**

N

- 4.03 During the term of this Agreement, the Union and its agents, representatives and officers, and all employees who are covered by this Agreement, as individuals and as a group, will not authorize, cause, assist, participate, acquiesce in, or encourage any strike, work stoppage, sick-out, slowdown, picketing, or any similar disruption or restriction of work on, in or at any of the Company's premises. The Company will not use any provisions of this Article to supply employees covered by the Agreement to areas served by another Company Union in the event of a strike by that Union. This specifically includes "sympathy" strikes and the observance of picket lines, signs, or appeals from any labor organization engaged in any such activities, except in situations where an employee has a good faith objective belief of bodily harm in which event they will immediately notify management.
- However, nothing in this Section shall prevent the union from engaging in picketing or other publicity for purposes of truthfully advising the public of any contract disputes unless an effect of the activity is to induce any employee or other person to cease rendering or providing services to the Company.
- 4.04 During the term of this Agreement, the Company will not cause or engage in any lockout of its employees.
- 4.05 In the event any of the above occurs, the union and its officers will do everything within their power to end or avert the same. Any employee engaging in any activity in violation of this Section may be subject to immediate disciplinary action, including discharge, and the only issue reviewable through the grievance procedure will be whether the employee in fact violated its provisions.
- 4.06 Nothing in this article shall be interpreted to preclude recourse to any other available judicial or administrative remedies.
- 4.07 The Company and union recognize the value of training and offering employees additional opportunities to increase their skills in order to compete in an ever-changing business environment. The parties agree to work together to promote educational programs to

all bargaining unit employees to include, where possible, programs like CWA/NETT.

ARTICLE 5
PAYROLL DEDUCTION OF UNION DUES

- 5.01 The Company agrees that during the term of this Agreement it will, if furnished a written individual payroll deduction authorization form, voluntarily executed by an employee covered by the terms of this Agreement, deduct from the wages of such employee, the amount of monthly Union dues (including initiation fees) to be paid to the Union provided that:
- (a) Each such payroll deduction authorization shall: (1) be made on forms approved by the Company; (2) be dated; (3) indicate "the amount of my regular monthly Union dues as certified to the Company by the Secretary-Treasurer of the Communications Workers of America" to be deducted regularly each month; (4) provide that the authorization can be terminated by the employees on December 31, of any year by written notice delivered to the Company not later than December 1, of that year; and (5) that the employee will also furnish the Union with a copy of any notice to the Company terminating such authorization;
 - (b) All such payroll deduction shall be made from checks issued to cover the last payroll period of each month;
 - (c) When a new request for payroll deduction of Union dues card, or if any written notice terminating a previous authorization to make payroll deductions of Union dues, is delivered to the company after the fifth (5th) day of the then current calendar month, it shall first become effective in the following month;
 - (d) An employee's payroll deduction of Union dues authorization shall terminate automatically with the termination of his/**her** employment within the Bargaining Unit, except only when such termination is temporary and results from the employee being temporarily assigned to a management position;
 - (e) The total sum of Union dues so deducted shall be forwarded by the Company to the Secretary-Treasurer of the Union as soon after the deductions have been made as in the ordinary course

of carrying on the business of the Company is possible; accompanied by a statement showing: (1) the Local Union Number 2204; (2) all employees for whom the Company holds effective payroll deduction authorization cards; (3) the amount of dues deducted for each employee or the reason if no deduction has been made; and (4) a list of employees hired during the previous month who are in the Bargaining Unit, along with their job **titles** and locations.

R
|

- (f) The Company assumes no responsibility in connection with Union dues deducted, except of forwarding monies so deducted to the Union's Secretary-Treasurer as indicated under e. above;
- (g) The Union will keep the Company informed at all times - by letter - as to who the Secretary-Treasurer of the Union **is**, and of **his/her** official addresses; R
- (h) Execution of a payroll deduction of Union dues authorization form shall in no event be a condition of employment by the Company.
- (i) The Company agrees to provide payroll deductions for COPE (Committee on Political Education) for employees represented by the Communications Workers of America subject to the following conditions:
 - 1. Deduction requests must be submitted on a properly completed authorization card.
 - 2. The amount specified will be deducted every pay period if sufficient paycheck money is available and the total amount will be forwarded once per month to the person designated by the CWA.

The Union agrees to hold the Company harmless against any claims that might be made by any employee as to the application of the funds.

It is understood that a one (1) time set up fee of \$500 will be paid to CenturyLink from the Communications Workers of America.

The Company's obligations under Article 5.01, as well as under any payroll deduction authorization form signed by any employee, regardless of its contents, shall not survive the expiration or termination of this Agreement (or the expiration or termination of any written extensions). Upon expiration of the labor agreement (or the expiration or termination of any written extensions) with thirty (30) days written notice from the Company's bargaining agent to the CWA Representative of the Company's intent, the Company may discontinue the payroll dues deductions, without notification until the parties have successfully negotiated a successor Agreement which includes a dues checkoff obligation. Discontinuance of payroll deduction of union dues shall take effect the first payroll period following the thirty (30) days notice.

ARTICLE 6

HOURS OF WORK AND BASIS OF COMPENSATION

6.01 The Company agrees to post work schedules for all employees by 3:00 p.m. on Wednesday to show for each such employee his/her scheduled or assigned tours for the next **two** calendar week. Work schedules shall stipulate the starting and ending time of such tours, together with the starting and ending time of each session. The scheduled interval between the two (2) sessions may be shifted not more than one (1) hour either way at the instance of the Company in order to meet necessary service requirements without changing the length of time which had originally been scheduled between the sessions or the total number of scheduled hours for the tour.

R

The Company may change such schedules in order to meet work requirements and service conditions subject, however, to Section 6.10 of this Article.

6.02 Employees shall have the opportunity to exercise their seniority for choice of working hours for which they are qualified, generally not less than every ninety (90) days nor more than one hundred twenty (120) days; provided, however, that such selections may be made more or less frequently when the Company determines that force and service conditions require.

6.03 Employees returning from leaves of absence, layoff, or employees coming in by transfer shall be granted choice of hours in accordance

with their seniority and qualifications at the next revision of the schedule, per above.

- 6.04 Tours may fall on any day of the week necessary to meet service requirements, except that the tours which make up the normal work week may not be spread over more than five (5) days of the calendar week.
- (a) Scheduled time is comprised of tours and the scheduled time for any work day shall not exceed the length of a normal tour.
- 6.05 No employee shall be scheduled to work more than ten (10) consecutive days, except where unusual service conditions develop.
- 6.06 Insofar as service requirements will permit, a minimum time interval of ten (10) hours shall elapse between the scheduled ending time of one tour and the scheduled starting time of the next tour, except when a shorter interval between tours results from an employee exercising his/**her** seniority for choice of hours or voluntary, approved changes of hours with another employee. R
- 6.07 Insofar as service requirements and employee's qualifications permit, holiday assignments shall be rotated among employees having the same job **titles** within a particular work group. R
- 6.08 Changes from officially posted weekly work schedules may be made (without changing the total scheduled hours for the week) to provide for changes in hours, work days, or off-days in accordance with the following:
1. At the request of the Company in order to meet service requirements and service conditions subject, however, to Section 6.10 of this Article.
 2. At the request of employees.
 3. If an employee requests time off for personal reasons, he/**she** may be permitted to work one (1) non-scheduled day in the same work week at his/**her** regular wage rate, plus applicable differentials. R
 4. If the Company contacts an employee in connection with a shift of his/**her** tour and if the employee agrees to the shift, the R

shift shall not be considered to be made at the request of the employee.

5. Employees assigned to like work will be permitted, with prior knowledge and consent of their supervisor to, from time to time, exchange tours or shifts if they so desire, provided this does not interfere with the efficiency or quality of the telephone service and provided further that it does not cause an employee to work more than a normal day's tour in one (1) day or more than a normal work week in any one (1) calendar week.

6.09 **Relief Periods.** A relief period of not in excess of fifteen (15) minutes shall be provided for all employees once each uninterrupted work session provided that:

- (a) All employees shall be assigned such relief periods as near the midpoint of the session as practicable, but in no event shall they be assigned to start less than one (1) hour from the beginning or end of each session unless a service emergency develops, except:
- (b) Employees shall, whenever possible and as near the midpoint of the session as practicable, take their relief periods between jobs. Otherwise they may leave a job, or their truck at a point enroute, during their relief periods, provided they take precautions commonly recognized under the circumstances, for the protection of the service and the safety of the public and return to work promptly at the end of the relief period.

6.10 **Pay for Work on a Week Day (Other than an Authorized Holiday).** Employees working on a week day shall be paid at their regular rate for all scheduled time worked, except as otherwise provided in this Section.

When the Company assigns an employee to work a regular work day on a day on which the employee had not been scheduled to work, the employee's work time on another day in the same calendar week may be reduced to the extent of the additional assignments, provided that:

- (a) The employee is notified of the change as long in advance as practicable and not less than twenty-four (24) hours prior to the

R
|

beginning of the additional or decreased assignment - whichever is earlier;

- (b) If the employee is not notified of the change by the Company within the time limits prescribed above, then the employee may - at the time of receiving such non-scheduled assignment - elect to work out the hours of his/**her** previously scheduled work week in addition to the added assignment which on this basis would be paid for as overtime.

6.11 **Part-time.** Part-time employees may be employed but not used to the extent as will cause other regular employees to be reduced to a part-time basis.

R
|

6.12 **Pay for Authorized Holiday.** All regular employees shall receive for the day on which a holiday is observed pay for a normal day's tour at the employee's basic hourly rate, including applicable differentials, for all holidays, whether or not they perform work, except as otherwise provided below.

Employees who work on a holiday shall be paid at one and one-half (1-1/2) times the employee's basic hourly rate plus applicable differentials for all time worked within a normal day's tour.

R
|

Employees failing to work on a holiday for which they are scheduled to work, or employees failing to work on either their last scheduled work day preceding, or their first scheduled work day following the holiday shall receive no holiday allowance or other holiday pay, unless excused by the Company.

6.13 **Overtime Work. The overtime rate is one and one-half (1.5) times the basic hourly rate of pay and is paid under the following conditions:**

R
|

- a) **All hours worked after an employee has worked 8 hours at the basic hourly rate of pay in a workday**
- b) **All hours worked after an employee has worked 40 hours at the basic hourly rate of pay in a workweek**
- c) **All hours worked on Sundays**
- d) **All call-out hours worked and those call-out hours not worked which make up the minimum requirement threshold listed in Article 6.14**

N

The following hours will be considered as hours worked and will count toward the daily and weekly overtime calculation described in (a) and (b) above: N

- Scheduled vacation/personal holiday;
- First 8 hours worked or not worked on a recognized holiday;
- First 8 hours worked on a scheduled Sunday (NOTE: Sunday must be part of the regular posted schedule to qualify)
- Paid rest period hours
- Paid union time off for joint meetings with the Company

The following hours will not count toward the daily and weekly overtime calculation described in (a) and (b) above:

- Bereavement, Jury Duty, Short-term Disability (STD), Worker's Compensation, Military, unscheduled vacation/personal holiday, and any other paid time off not listed above;
- Any non-paid time off, including non-paid union time;
- Any hours worked on a non-scheduled Sunday
- Any call-out hours (worked or those call-out hours not worked which make up the minimum requirement threshold)
- Any hours worked over 8 in a workday or 40 in a workweek already paid at the overtime rate

6.14 **Call Outs. Employees shall be paid their overtime rates for all non-scheduled time worked subject to the following:**

When employees are called back after having been released from a regular tour or shift, or before their scheduled starting time of their next regular shift and who are required to leave their residence in order to perform work for the Company, shall be paid for not less than two (2) hours at time and one-half (1 ½) their regular rate of pay. Employees called back after having been released from a regular tour or shift, or before their scheduled starting time of their next regular shift, and who are not required to leave their residence in order to perform work for the Company, will be paid for not less than one (1) hour at time and one-half (1 ½) their regular rate of pay. Such call-out time shall be computed from the time the employee leaves home and continue until the employee has had time to return

home (or the equivalent). It is understood and agreed that any subsequent recall (prior to returning home) within the call-out minimum period shall not be treated as a second or third call-out. All time actually worked in excess of the first two (2) hours of call-out rate shall be paid at the appropriate rate. When the necessary work extends beyond the starting time of the employee's next regular work day only the traveling time from the employee's home to the job shall be included in the computation of the call-out time worked and effective with the beginning of the employee's regular work day he shall be paid at his/her regular rate for the regular time worked.

Both the Company and the Union recognize that due to the nature of our business and the necessity of providing continuous service, overtime and call outs after hours are part of the business. It is understood and agreed that employees may be required to work overtime hours as directed by the Company. The Company shall make every attempt to limit same day mandatory overtime. Employees will generally be expected to be available and to accept call outs.

N

6.15 **Meal Period.** Employees will be given a lunch intermission of not to exceed one (1) hour without pay as determined by the Company. Non-Customer Support positions may request a one half (1/2) hour lunch, Company approval will be based on current service requirements. Meals shall be taken as near the time indicated, or normal meal times for the employee, as is reasonable under the circumstances.

R

R
|

6.16 All overtime and Sunday work shall, so far as practical, be equally and impartially divided among the employees within their **title**.

R

6.17 If an employee is requested by the Company to fill a temporary vacancy in a job calling for a higher wage rate than is paid for his/her regular job, for one (1) session or more, he/she shall receive the higher wage rate for such time as he/she works on the higher rated job. Upon return to his/her regular job he/she shall again receive his/her regular rate. If the rate for the job to which he/she is temporarily assigned is lower, the employee's rate of pay shall not be reduced.

R

ARTICLE 7

- 7.01 The wage increase schedules and differential payments for the various job **titles** set forth in Exhibit A in this Agreement shall be in effect for the term of this agreement. R

 - (b) There shall be no change in title.
 - (c) The employee shall retain eligibility to the working conditions to which he/**she** was eligible prior to appointment. R
 - (d) Employees appointed "In Charge" will, whenever possible, be given advance oral notice of such appointments and the probable duration thereof. Confirmation of each such appointment will be posted, not later than the effective date thereof, on the bulletin board in the department involved. Following termination of each such appointment, the bulletin

relating thereto will be removed from the bulletin board and held by the Company on file for future reference.

- (e) Such appointments shall be made only when, in the Company's judgment, supervision of a group of employees or a property is required during the absence of supervisors due to vacation, leave of absence, sickness or other absence where the regular supervisor, or other supervisor designated in his/her place, is not readily available by telephone or the job requirements make a replacement necessary. It is not contemplated that the payment of "In Charge" differentials will be required for supervisory absences due to scheduled days off, holidays, weekends, or conferences where telephone contacts are readily possible and employees so assigned shall not perform bargaining unit work. R

Any overtime which also falls during this period and connects to the scheduled tour shall also be eligible for the \$1.75 differential added to the overtime rate. R

ARTICLE 9
VACATIONS

9.01 **Vacation Eligibility.** Vacations shall be granted to regular full-time employees at their basic rate of pay in accordance with the following schedule: N

Length of Service	Eligible Hours

1 yr < 5 yrs	80 hrs
5 yrs < 10 yrs	120 hrs
10 yrs < 15 yrs	140 hrs
15 yrs < 20 yrs	160 hrs
20 yrs < 25 yrs	180 hrs

***During the first calendar year of employment employees are not eligible for vacation pay.**

The vacation year which shall be used in computing the amount of paid time off shall be from January 1st through December 31st of each year in which this Agreement continues in effect, except that in the anniversary year of 1, 5, 10, 15, 20 and 25 years the employee earns vacation at the higher rate for the entire year.

N

Regular part-time employees scheduled for 20 to 30 hours per week are eligible for one-half (1/2) of the vacation time that a full time employee with the same length of service is entitled to. Vacation time for employees changed from part-time to full-time, or full-time to part-time, is determined on a prorated basis for the time worked in the respective status during the year.

9.03 Employees on leave of absence for any full calendar year will not be eligible for a paid vacation during that year.

R

ARTICLE 18
GRIEVANCE PROCEDURE

- 18.01 If any grievance or difference arises between the Company and the Union during the term of the agreement, or any employee or employees covered by this Agreement, as to any alleged unjust discharge, or any alleged unjust treatment, including alleged unjust treatment in connection with matters adversely affecting the protection during the working hours of the health and safety of employees, or the application or interpretation, or alleged violation of the provisions of this Agreement, such grievance or difference shall be processed in accordance with the following procedure (*); provided, that any individual employee or group of employees shall have the right at any time to present grievances to the Company and

to have such grievances adjusted, without the intervention of the Union, as long as the adjustment is not inconsistent with the terms of this Agreement or Agreement then in effect; provided further, that the Union has been given opportunity to be present at such adjustment:

Step 1

The grievance/difference shall first be discussed by an appropriate Union representative, who may be accompanied by an aggrieved employee or one of a group of aggrieved employees, if any, with the immediate supervisor to attempt to settle the issue informally prior to the union giving formal written notification to the company of its request to have the grievance heard. This must be done prior to the expiration of time limits set forth in 18.04. Once the grievance has been presented in this manner, no Company representative shall discuss the grievance with the involved employee or employees without first notifying the Union so a properly authorized Union representative can be present. This will remain true up to the final disposition of the matter.

The Company shall have fourteen (14) calendar days from the date of the initial Informal Meeting to provide an answer to the Informal meeting referenced in paragraph (a) above. If the grievance or difference is not resolved satisfactorily within this fourteen (14) day time frame, the Local Union President shall reduce the grievance to writing, identifying the grievance, setting forth the facts giving rise to the grievance, including the contract provision alleged to have been violated and the remedy requested. The written grievance shall be forwarded to the Area Operations Manager within seven (7) calendar days of the Company's answer.

Step 2

The Company's Area Operations Manager, having jurisdiction (and/or his/**her** designated representative) and the Local Union President (and/or his/**her** designated representative), who may be accompanied by the aggrieved employee, shall then attempt to settle the grievance or difference. Within seven (7) calendar days after giving an oral answer at the Step 1 meeting the Area Operations Manager shall forward a written answer to the Local Union President. If the grievance or difference is not satisfactorily settled at Step 1 above, the CWA Representative or Local Union President

R

may forward a written appeal to the Company's Labor Relations Representative, within fourteen (14) calendar days after the Company's answer under Step 1 above.

Step 3

The Company Manager-Labor Relations (and/or the designated representative) and the Union Representative shall meet within fifteen (15) calendar days of the date of the written appeal referenced in Step 1 (either face-to-face or via telephone conference by mutual agreement). Within fourteen (14) calendar days after the Step 2 meeting, the Company Manager – Labor Relations (or designated representative) shall forward a written response to the Union Representative. If a satisfactory agreement is not obtained under Step 2, then the Union shall within thirty (30) calendar days of the Company's second step response subject to the provisions of Article 19, have the right to submit the grievance to arbitration by delivering to the company written notice of its intention to do so.

(* All grievances or differences with the exception of termination of an employee. Termination grievances shall begin at Step 2 of the grievance procedure. N

- 18.02 Any grievance related to a suspension or discharge may be presented to the Company's designated representative at the final step of the grievance process by the close of the 30th calendar day following the day on which such suspension or discharge action is taken. The Company shall then, within ten (10) working days after the final step of the grievance procedure forward a written answer to the Union.
- 18.03 The time limits specified in any of the foregoing steps may be extended with respect to the particular grievance or difference by mutual consent of the parties hereto and confirmed in writing.
- 18.04 Any grievance shall be presented as soon as practicable after the last occurrence, but in no event later than fifteen (15) calendar days thereafter. Failure to submit a grievance within such period shall constitute a bar to further action thereon, unless it is shown that such failure was due to causes beyond the control of the employee, or that neither the employee nor the Union knew that the cause of the grievance existed.

- 18.05 The aggrieved employee and the employee acting as authorized representative of the Union may, without loss of pay and following reasonable advance notice, and at a time mutually agreed to in advance, discuss and investigate grievances when accompanied by a Company representative during their respective scheduled work days.
- 18.06 If the aggrieved employee and/or his/**her** representative employed by the Company or other employees are requested by the Company to leave their normal working area in the handling of an alleged grievance or difference, the Company will reimburse him/**her** for reasonable board, lodging and transportation expense incurred in connection therewith.
- 18.07 Exclusive of Company representatives, attendance at grievance meetings shall be limited to three (3) persons, one of which must be the aggrieved. Within these limitations, employees of the Company shall suffer no loss of time or pay for regular scheduled work time during the normal work week spent in attendance at such meetings.
- 18.08 The failure by the Union to adhere to the time limits pertaining to the processing of a grievance, shall result in the grievance being withdrawn. If the Company does not provide a timely written response, the grievance shall automatically move to the next step of the grievance process (excluding arbitration).

ARTICLE 19

4. If a regular employee accepts such re-assignment, offered in order to preserve his/**her** employment, to available R

work at the prevailing wage rate for that **job title**, and is later re-assigned to his/**her** former **job title**, his/**her** Wage Experience Credit in his/**her** former **job title** shall be the same as it would have been had he/**she** remained in his/**her** former **job title**. R

5. **Layoff Procedure** - When the Company is contemplating laying off an employee, the employee to be affected shall be given ten (10) days' advance written notice of the layoff (copy to the Local Union) provided that any temporary continuation of employment for not more than sixty (60) work days shall not necessitate the giving of any additional notice in advance of the layoff being made effective. An employee anticipating quitting shall be expected to give ten (10) days' advance written notice to the Company.

Displaced employees who are not offered continued employment or who refused reassignment to available jobs in accordance with Section 24.01 B.1.above, shall be retired, if eligible, in accordance with the Embarq Pension Component of the CenturyLink Combined Pension Plan, including Appendix MM, with eligibility for severance pay under the Severance Plan.

N

The Company will first poll employees in the job **title** at the location being reduced to determine if any volunteers are interested in seeking to transfer to the new location. - 26.03 Notwithstanding anything to the contrary, where any one clause or Article of this Contract is applicable to a request for a leave of absence as defined by the Family and Medical Leave Act of 1993 ("FMLA"), the minimum requirements provided by the FMLA shall prevail unless the Contract provides for a type or level of benefit greater than that specified under the FMLA.
- 26.04 The Company and the Union will comply with the Americans with Disabilities Act.

ARTICLE 28
SHORT TERM DISABILITY BENEFIT PLAN
(STD PLAN)

- 28.1 The Company agrees to provide STD benefits for all regular full-time employees on a non-contributory basis. Regular part-time, temporary, or occasional employees are not eligible for STD benefits. The administration of STD leaves, including the application process and timelines, eligibility rules, notice requirements, return to work rights, and modified duty programs will be governed by the CenturyLink Disability Plan (the "Plan").

Employees qualify for STD benefits when they are participants who cannot work at their normal job due to an illness or injury incurred off the job, and satisfy the requirements as outlined in this Article but subject to the terms of the Plan which control and

govern. STD benefits begin on the 8th consecutive calendar day (sixth consecutive scheduled workday) of non-occupational illness or injury for participants. Written medical certification shall be required.

Vacation/Personal Holiday hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational disability related absence (STD waiting period). The employee must use all available Vacation/Personal Holiday hours before hours can be taken unpaid. If an employee does not have available Vacation/Personal Holiday hours, those hours for which Vacation/Personal Holiday hours are not available shall be non-paid.

- 28.2 If employment is involuntarily terminated due to reasons including but not limited to reduction in work force, plant/office closure, etc., while the employee is receiving STD benefits under the Plan, the employee may continue to receive benefits until the earlier of either the Plan's benefits are exhausted, the employee fails to comply with the Plan's STD administrative requirements or the employee's doctor (or the IME doctor) states and the Plan agrees that the employee can return to work. If employment is involuntarily terminated for just cause, STD benefits may be terminated immediately.
- 28.3 The Plan Administrator may suspend or deny STD benefits if the employee fails to submit all forms/documentation as required, fails to comply with a Company request for an IME, or fails to comply with the requirements of the STD Plan. The Plan Administrator may require such physical or other professional examinations from healthcare providers in accordance with the Americans with Disabilities Act, the Family and Medical Leave Act and/or any other applicable law or regulations as well as when an employee is claiming benefits or privileges under the Plan. The requirement for additional medical or other examinations shall include, but not be limited to, independent medical examinations to confirm a disability, circumstances in which an employee seeks disability or family leave and applies for or is receiving any benefits financed by the Plan; and "fitness for duty" examinations.

28.4 STD benefits under the Plan may be paid up to a maximum of twenty-six (26) weeks. The amount of pay (partial or full pay benefits) is a percentage of “base rate pay”. Base rate pay for the purpose of determining the appropriate STD benefit will be based on the regular straight time rate of pay. Base rate does not include incentive compensation, overtime, shift differential or other special payments or calculations.

- a) **For employees hired, re-hired, or transferred into this bargaining unit before January 1, 2020,** the STD benefit under the Plan is either sixty percent (60%) or one hundred percent (100%) of the base rate. The percentage paid is based on the length of service with the Company. An employee’s service anniversary date determines the benefit payment schedule as identified in the chart below. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s service anniversary date.

If your length of service is:	Then benefits at 100% of Base Salary are paid for:	And benefits at 60% of Base Salary are paid for:
Less than one year	None	None
1 yr but < 2 yrs	2 weeks	24 weeks
2 yrs but < 3 yrs	4 weeks	22 weeks
3 yrs but < 4 yrs	6 weeks	20 weeks
4 yrs but < 5 yrs	8 weeks	18 weeks
5 yrs but < 6 yrs	10 weeks	16 weeks
6 yrs but < 7 yrs	12 weeks	14 weeks
7 yrs but < 8 yrs	14 weeks	12 weeks
8 yrs but < 9 yrs	16 weeks	10 weeks
9 yrs but < 10 yrs	18 weeks	8 weeks
10 yrs but < 11 yrs	20 weeks	6 weeks
11 yrs but < 12 yrs	22 weeks	4 weeks
12 yrs but < 13 yrs	24 weeks	2 weeks
13 yrs or >	26 weeks	0 weeks

- b) **For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2020,** the STD benefit under the Plan is seventy percent (70%) of the base rate. The following STD benefit payment schedule

is based on completed years of service as determined by the employee's service anniversary date.

If your length of service is:	Then benefits at 70% of Base Salary are paid for:
Less than one year 1 yr or >	None 26 weeks

- c) A higher level of benefits does not take place if an employment anniversary occurs while receiving benefits or if the employment anniversary occurs before the employee returns to work for one hundred eighty two (182) consecutive days after any STD benefit usage.
- d) STD benefits under the Plan cease on the earlier of when a) the employee is released by their provider, and supported by the Plan, to return to work, b) the employee fails to comply with the Plan's STD administrative requirements, or c) the Plan's benefits as described in this Article have been exhausted.

28.5 If you return to work for less than 182 calendar days following an STD absence, your previous STD benefits will be considered in determining the amount and maximum period of benefits. In other words, you will continue on the STD Benefit Payment Schedule described above based on your service at the first time you became entitled to Plan benefits.

If you return to work for at least 182 calendar days following an STD absence, your previous STD benefits under the Plan will not be considered in determining the amount and maximum period of benefits. In other words, you will be eligible for the full benefit described above for any STD absence.

28.6 The Company will provide all Workers' Compensation benefits required by statute to an employee who sustains an on-the-job injury.

28.7 **For employees hired, re-hired, or transferred into this bargaining unit before January 1, 2020** the Company will provide an employee a salary continuation benefit (called

Workers' Compensation Supplemental Pay or WCSP) equal to 85% of regular base pay when combined with an approved Worker's Compensation claim and statutory payment. **For employees hired, re-hired, or transferred into this bargaining unit on or after January 1, 2020, the Company will provide an employee a salary continuation benefit (called Workers' Compensation Supplemental Pay or WCSP) equal to 70% of regular base pay when combined with an approved Worker's Compensation claim and statutory payment.** The salary continuation benefit is available up to a maximum of 1040 hours for a single disability beginning on the first day of approved absence. If the disability extends beyond 1040 hours, the employee may be eligible for Long Term Disability (LTD) benefits under the Plan. If approved as eligible for LTD under the Plan, the employees' Worker's Compensation benefit will be deducted from the employee's LTD benefit as an approved offset. N

28.8 An employee is never entitled to more than 85% / **70% respectively** of regular base pay while absent due to an on-the-job injury. Any overpayments made by receiving both **WCSP** salary continuation and Worker's Compensation benefit payments in excess of 85% / **70% respectively** of regular base pay will be deducted from the employee's salary continuation check, regular pay check, or are to be reimbursed by the employee to the Company. The employee receiving an overpayment is deemed to agree to the deduction from the employee's salary continuation check, regular pay check, or to reimburse the Company. R

28.9 **WCSP** payments of salary continuation benefits will be in accordance with the CenturyLink Disability Plan (the "Plan") and shall cease upon the earlier of a) an employee's retirement, b) discharge for just cause, or c) when employment would otherwise terminate because of reduction in force. R

ARTICLE 29
STAND-BY PROGRAM

29.01 The Company will designate which areas and job **titles** whereby a "Stand-By Program" will be utilized and the length of the stand-by period. R

- 29.02 The Company will first attempt to satisfy stand-by coverage needs through qualified volunteers. In the event there is a sufficient number of qualified volunteers, the Company will not mandate any further stand-by duty assignments. In the event there is an insufficient number of qualified volunteers the Company may then require employees to serve on stand-by.
- 29.03 Stand-by will be rotated among all qualified employees as determined by the Company in a geographic area defined by the Company on a seniority basis. The stand-by period will normally be for seven (7) calendar days. Occasional stand-by periods for other lengths of time may be required under unusual or special circumstances. Stand-by periods for other lengths of time may be scheduled in advance by the appropriate Department Manager. The normal weekly stand-by period will run from Tuesday 8:00 A.M. and continue through 8:00 A.M. the following Tuesday.
- 29.04 Under normal circumstances no employee will be required to serve on stand-by for more than one week in each four (4) week period unless the relative size of the workgroup requires greater frequency. This restriction will not prevent employees from volunteering for stand-by duty on a more frequent basis, nor will it prevent employees from trading weeks of stand-by. During the period of stand-by, the employee will be available to take all calls and report to a job site as needed.
- 29.05 Employees who are designated for stand-by will be utilized in any working area location where he/she is qualified to perform the work. Additionally, employees may be required to diagnose problems that are outside the area of their responsibility.
- 29.06 Employees on stand-by will be provided a cellular phone and will be required to stay within cell phone range at all times. The stand-by employee will be available to respond to the trouble (i.e., be enroute) within one (1) hour.
- 29.07 During periods of stand-by, the employee may be assigned a vehicle for business purposes only. If assigned a vehicle, the vehicle must be kept at the employee's residence and parked off the public street when possible. If the vehicle cannot be kept at the employee's place of residence due to an ordinance or other regulation, it may be parked at the nearest Company approved location/s. Employees on stand-by are responsible for ensuring that Company vehicles are

properly maintained. The Company will pay for all required vehicle maintenance.

- 29.08 Travel time (for stand-by) between the employee's residence and their work center or the employee's first/last work assignment that is in excess of the normal drive time between the residence and the assigned work center will be paid at the appropriate rate. This is true whether or not employees are in a company vehicle.
- 29.09 It will be the responsibility of all employees on stand-by to report the completion of a case of trouble. This will clear the employee for additional call-outs and allow the customer to be given a status of trouble report if required.
- 29.10 The stand-by employees will be paid twenty-**five** dollars (\$25) per week day for stand-by periods and thirty-**five** dollars (\$35) per weekend day and forty-**five** dollars (\$45) on an observed holiday. R

ARTICLE 30

ARTICLE 31
HEALTH, SAFETY AND APPEARANCE

- 31.01 Safety Footwear – Employees with exposure to foot hazards as determined by the Company's Task Based Hazard Assessment for Personal Protective Equipment (PPE) and Safety Equipment must regularly wear safety footwear (safety shoes/boots) that meet the current national standards recognized by the Occupational Safety & Health Administration (OSHA) and internal CenturyLink requirements found in Safety & Health Practice on Personal Protective Equipment. The Company, in its

sole discretion, and in accordance with OSHA standards, will identify employees who will be required to wear safety footwear.

Employees identified as needing safety footwear will be required to wear safety footwear at all times when performing their work assignments. Those employees will have the choice of wearing steel toe or composite toe safety footwear as long as it meets the current national standard. The requirement to wear safety footwear will cease when employees leave the position through transfer, promotion, retirement, separation, voluntary resignation or dismissal, or when safety footwear is no longer required.

Since safety footwear can be utilized both on and off the job, employees are responsible for the purchase and maintenance of their safety footwear. **The Company shall reimburse employees who are required to wear safety footwear up to a maximum of \$100 for the purchase of safety footwear through December 31, 2019. There will be no additional reimbursement for safety footwear beyond that date.** For those employees that have only occasional exposure, a safety toe overshoe, at no cost, is available through the SAP/CART ordering process.

- 31.02 Safety Eyewear – Employees in certain job titles and work environments may also be required to wear safety eyewear while at work. Employees who require corrective vision lenses must also wear safety eyewear, when required.

Effective July 1, 2015, the Company will provide an annual (calendar year) maximum contribution of **\$75** for the procurement of one (1) pair of prescription safety glasses (or replacement frames or replacement lenses) for employees in positions which require the wearing of safety eyewear, subject to the following.

1. The Company will identify the job titles eligible for the company contribution for prescription safety eyewear.
2. Prescription safety glasses shall meet current ANSI standard Z87.1 and include protective specialty safety eyewear where the user requires a vision 'correction.'

3. The Company shall determine the supplier(s) for the procurement of prescription safety eyewear and reserves its right to identify the approved safety frame styles, lens materials, lens options and allowable optional upgrades. Each order for prescription safety glasses will include detachable side shields.
4. The Company contribution for prescription safety eyewear will only be provided through the designated supplier(s) for the procurement of prescription safety glasses. There will be no company contribution, subsidy or reimbursement for prescription safety glasses obtained outside of the designated supplier(s).

This supplier will bill the Company for the **\$75** annual maximum contribution and the remainder of the expense for prescription safety glasses, if any, will be paid by the employee. Employees will be responsible for the cost of prescription safety glasses above the Company's annual contribution for additional or replacement pairs of prescription safety glasses, including frames and/or lenses. Employees will also be responsible for the cost of eye examinations.

Specialty safety eyewear that does not include a vision correction will be excluded from the company contribution for prescription safety eyewear.

The Company will make available, at no cost, non-prescription safety eyewear. Choices of non-prescription safety eyewear are available to employees through the SAP/CART ordering process.

ARTICLE 32 **TELEPHONE CONCESSIONS**

- 32.01 Subject to Company policy, regular full-time and part-time employees with six (6) or more months of service are eligible for a discount on service or services offered by the Company on the same basis as non –represented employees.

It is recognized that the Company has the exclusive right to amend, modify wholly or in part this plan. The Company agrees, however, that any changes to the concession plan for bargaining

unit employees will be equivalent to the services that is provided to non-bargaining employees at the same location.

If a National Concession Plan is offered to other represented units or if another represented unit is offered concession over and beyond that of non-represented employees, employees under this agreement shall be made the same offer.

ARTICLE 33

New hires in those **titles** may receive additional uniform garments or a higher initial credit. The color, style, and material blend of employee work clothing will be determined by the Company for both uniform and non-uniform garments.
- 33.02 Employees will be required to wear uniform and non-uniform garments that are, in the Company's judgment, properly maintained and presentable. The wearing of uniforms will be mandatory during all work hours. Regular and all appropriate maintenance of an employee's uniform is the responsibility of the employee.
- 33.03 A pin, not to exceed 1 ½ inches in diameter designating affiliation with the CWA, may be worn with the uniform. This pin will not cover the Company logo.

ARTICLE 35

1. General

It is agreed a four-day work week may be implemented which will replace the normal five-day schedule, to all **titles** R whenever practicable, depending on service requirements and work load. In executing this agreement, it is mutually agreed that deriving incidental or indirect benefits, not specifically addressed, because of the implementation of a four-day work week is not in keeping with the intent and spirit of this Agreement and any such efforts to derive such benefits will not be supported by either the Company or the Union.

When implemented, the four-day work week generally should apply to all eligible employees of the work group, however, the Company reserves the right to restrict the number of available four day workweek schedules based on operational necessity. Work Group for this purpose shall consists of "a group of employees who work under the same first line supervisor and who regularly relieve each other."

2. Work Day

For employees normally scheduled forty (40) hours per week, each tour will be of ten (10) hours duration. A session - one of the two parts into which a tour is divided - shall not be less than three (3) hours. One fifteen (15) minutes relief period shall be assigned or allowed as near to the midpoint of each session as practicable. Utilizing a four-day work week will not change weekend or holiday rotation.

For employees on a ten (10) hour work day, all work performed over ten (10) hours in any one day, or over forty (40) hours in any one week, shall be paid for at the employee's overtime rate of one and one-half (1 1/2) times the employee's regular rate,

provided the employee works the remainder of the scheduled work week, unless the Company authorizes otherwise.

3. Evening and Night Differentials

For four-day work week employees, the payment of evening and night differentials shall be based upon work hours which fall wholly or partly between 7:00 PM and 6:00 AM.

4. Holidays

For four-day work week employees, the schedule for weeks containing a core or personal holiday will revert to a normal five day schedule with the employee either scheduled and excused or scheduled to work on the holiday.

5. Vacations

For vacation purposes, those employees assigned a four-day work week will be reassigned to a five-day work week and treated in accordance with Article 9 of the Labor Agreement.

6. Absences Excused with Pay

All leaves of absence (union activity time, jury duty, funeral leave) paid or unpaid, will be made on the basis of a five-day work week.

7. Reverting to a Five-Day Schedule

It is recognized that various conditions, other than those specifically addressed in this Article, may necessitate the temporary reverting of four-day work week employees to five-day schedules (e.g. formal schools, temporary transfers, other employees in work group on vacation, other employees in work group on Short Term Disability, Workers' Compensation, jury duty).

ARTICLE 36

Except as provided in Section 3 below, any such action taken by the Company in its sole discretion with respect to the Retirement Pension Plan shall apply to all similarly situated employees of the Company in a uniform manner. Such Employee shall remain a Member solely with respect to the amount of any Retirement Allowance accrued prior to being rehired or recalled by CWA 2204 on or after **July 1, 2016** to the extent he/she was not given a distribution of his/her entire prior Vested Interest prior to being rehired **or recalled**. Service on or after **July 1, 2016** for such Employee will be considered only for purposes of participation, vesting and eligibility for any type of Retirement Allowance earned prior to being rehired **or recalled** (i.e. Normal, Early, Special Early, Deferred Vested, Disability and Death benefit).

Any Legacy Embarq Employee who first becomes covered under the CWA 2204 Agreement through any means (including, but not limited to job bid, transfer, or any process by which the National Labor Relations Board orders that other represented or unrepresented CenturyLink employees are or should be covered under the CWA 2204 Agreement) on or after **July 1, 2016** is not eligible to become a Member in the Retirement

Pension Plan for purposes of accruing an additional Retirement Allowance under such Retirement Pension Plan. Such Employee shall remain a Member solely with respect to the amount of any Retirement Allowance accrued prior to being covered under the CWA 2204 Agreement on or after **July 1, 2016**, to the extent he/she was not given a distribution of his/her entire prior Vested Interest prior to being covered under the CWA 2204 Agreement. Service on or after **July 1, 2016** for such Employee will be considered only for purposes of participation, vesting and eligibility for a Retirement Allowance (Normal, Early, Special Early, Deferred Vested, Disability and Death benefit), and not for accruing an additional benefit. R

Any non-Legacy Embarq Employee who first becomes covered under the CWA 2204 Agreement through any means (including, but not limited to job bid, transfer, or any process by which the National Labor Relations Board orders that other represented or unrepresented CenturyLink employees are or should be covered under the CWA 2204 Agreement) or rehired into CWA 2204 on or after **July 1, 2016** shall not become an Eligible Employee and shall not be eligible to become a Member in Retirement Pension Plan. Service on or after **July 1, 2016** for such Employee will be considered only for purposes of determining participation, vesting and eligibility for a pension benefit in such Employee's former pension plan(s), if any. If such an Employee later **becomes covered under** another union that allows benefit accruals under the Retirement Pension Plan, service earned with CWA 2204 prior to the subsequent **move from CWA 2204** will not be used to determine the Retirement Allowance in the Retirement Pension Plan but such service will be considered for purposes of eligibility, participation and vesting. R

For purposes of this section only, "Legacy Embarq Employee" shall mean:

- (1) Any employee of Embarq prior to July 1, 2009,
- (2) Any employee of CenturyLink first hired on or after July 1, 2009 but before **July 1, 2016** who worked at an Embarq entity and who became an Eligible Employee or is eligible to become an Eligible Employee. R

Section 4. Lump Sum Benefit Payment Option

The Company may, at its sole option and discretion, amend the Retirement Pension Plan to provide a lump sum benefit payment option to Members represented by CWA 2204, effective as of the date specified in the Retirement Pension Plan. Members represented by CWA 2204 who elect to receive their Retirement Allowance in the form of a lump sum must make their election within the timeframe and pursuant to the procedures established by the Plan Administrator for the Retirement Pension Plan. Any lump sum benefit payment option will be based on the present value

of the Member's single life annuity benefit and calculated and paid solely as provided in the Retirement Pension Plan and subject to the terms of the Retirement Pension Plan. This Section is not, and is not intended to be, an amendment of the Retirement Pension Plan which can only be amended by authorized persons designated by the Retirement Pension Plan terms.

Notwithstanding any provision to the contrary, the decision to amend the Retirement Pension Plan to provide a lump sum benefit payment option is within Company's sole and complete discretion. If the Company, however, amends the Retirement Pension Plan to provide a lump sum benefit payment option, the Company may, subject only to the Retirement Pension Plan's terms and applicable law, eliminate the lump sum benefit payment option on a prospective basis, even prior to the termination of this Section.

This Section shall terminate when the Agreement between the Company and the Bargaining Unit terminates. Thus, the Company may, unless contrary terms of the Retirement Pension Plan, the requirements of applicable law or a subsequent agreement between the Company and the Union, amend the Retirement Pension Plan to terminate this lump sum benefit option upon the expiration of this Labor Agreement. The continued application of this Section to any Member and to any Retirement Allowance of any such Member, regardless when accrued, shall be subject to collective bargaining and applicable law. The operation and administration of the Retirement Pension Plan, the calculation of benefits, eligibility requirements, all terms and conditions related thereto and the resolution of any disputes involving the terms, conditions, interpretation, and administration of the Retirement Pension Plan shall rest with the Company and its delegates, shall be determined only under the terms of the Plan, shall not be determined under the terms of this Agreement, and shall not be subject to the grievance or arbitration procedure set forth in this Agreement.
